Chair Pagano advised that there was nothing new to discuss so tonight we would review the application with Village Attorney Polidoro. Attorney Polidoro advised she reviewed last month's minutes and the application and advised this was a site plan but that the current plan needs to indicate which part of the building will be the laundromat and needs a zoning table to include parking & parking tables.

Chair Pagano advised at last month's meeting applicant was advised to amend the plan to include greenery, drainage plan, lighting plan, signage plan and a layout. Attorney Polidoro advised and a façade plan. Attorney Polidoro advised she sent Secretary Hart a copy of the applicant's signed Easement Agreement for Sewer System Components.

Chair Pagano encouraged the applicant to have Mr. Decker present at the meetings. Attorney Polidoro advised that Mr. Decker does not do evening meetings. Attorney Polidoro advised that parking & parking table needs to be on the plan as well as the sewer easement.

Victoria advised applicant that he could have Mr. Decker contract her directly regarding amendments to plan.

The Board suggested to applicant to obtain the services of an engineer.

The Board discussed the sewer and large of volume water that will be used and advised applicant that he may have to upsize his tank due to the new use as a laundromat.

Chair Pagano discussed her notes from last month's meeting and said this was a special permit application. Attorney Polidoro advised the Board will process the site plan and special permit at the same time and with a special permit you have to make findings, since this is a more intensive use, that the site can support that use.

The Board asked about propane and the tire pressure machine existing now. Attorney Polidoro advised these are all the things that need to be added to the plan.

Parking was discussed with possibility that all parking be in the rear of the building.

Chair Pagano asked that the total square footage of the building be added to the plans.

Attorney Polidoro asked about the office in the rear and if it would be private with a bathroom. Yasin said yes. Attorney Polidoro advised that the water connections for new bathrooms will need to be on the plans.
